Usage and Notes

Use the pull-down menu to select a different department's data. Hovering over a data point on a chart will bring a pop-up box with details for that data point.

Time to degree for some programs may include time spent on a Master's Degree received while in pursuit of the PhD.

Check the academic program pages for details on how degrees are awarded.

Glossary Terms

Department:	An academic group that awards a PhD, or an equivalent degree. Not all UM PhD equivalents are included.
Academic Program:	An academic area of study that offers an academic degree, such as BA, BS, MA, PhD, etc.
PhD Program:	An academic group that awards a PhD, or an equivalent degree. Not all UM PhD equivalents are included.
Doctoral Degree:	Doctorate of Philosophy (PhD), or equivalent (e.g. Doctorate of Nursing Practice, DNP) awarded by a UM department or degree granting program.
Academic Year:	The year starting with Fall semester and ending with Summer semester, named for the starting semester. Example: The Academic Year starting with Fall 2011 and ending with Summer 2012 is Academic Year 2011.
PhD Enrollment:	The number of students enrolled in a Department or Academic degree granting Program.
PhD Admissions:	The number of students who completed an application (applied) and/or were admitted and/or enrolled for the first time in a doctoral program.
Applied:	A student who has completed the application process to a doctoral Program.
Admitted:	A student who has been admitted to a doctoral program by the academic program and verified eligible by the Office of Graduate Studies.
Newly Enrolled:	A student who is newly enrolled in a doctoral program following admission for that academic year.
Gender:	Male or female as identified in UM operating system and self-reported by student.
Ethnicity:	Ethnic background as identified in UM operating system and self-reported by student. Possible values: <ol style="list-style-type: none">1. Non Resident International2. Hispanic/Latino3. American Indian/Alaskan Native4. Asian5. Black/African American6. Native Hawaiian/Pacific Islander7. White8. Multiple Race/Ethnicity9. Not Specified
Non Resident International:	A student who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely. This value for ethnicity supersedes all others.
Hispanic/Latino:	A student who identifies at least one ethnicity as Hispanic or Latino.
American Indian/Alaskan Native:	A student who identifies as only American Indian/Alaskan Native.

Asian:	A student who identifies as only Asian.
Black/African American:	A student who identifies as only Black/African American.
Native Hawaiian/Pacific Islander:	A student who identifies as only Native Hawaiian/Pacific Islander.
White:	A student who identifies as only White.
Multiple Race/Ethnicity:	A student who identifies as more than one race and/or ethnicity other than Hispanic/Latino.
Not Specified:	A student who does not identify any race/ethnicities.
Tuition Support:	A student is counted as having received tuition support if they received tuition assistance during the indicated academic year. This includes residential tuition rates for non-residents.
Stipend Support:	A student is counted as having received stipend support if they had one of the following graduate student titles during the indicated academic year: Graduate Research Assistant, Graduate Teaching Assistant, Graduate Library Assistant, Graduate Instructor, and Graduate Fellow.
Degrees Awarded:	Number of doctoral degrees awarded in a given Academic Year (Fall, Spring, Summer).
Years to Degree:	The number of years from the time a student first enrolls in a doctoral program to when they complete the degree.
