PROPOSED PLAN OF STUDY. The Minor in College Teaching (MCT) requires 9 credit hours beyond the major plan of study. This includes a **3 hour core course**, a **teaching practicum**, plus **3-6 of approved elective** hours. The MCT requirements [and list of approved MCT](#) courses may be found the Graduate Studies Web site. The college teaching practicum must be taken at MU. To propose a course substitution, you must submit the alternate course syllabus for approval.

Notes: List one core course, your practicum and 3-6 hours of elective courses. If you complete a non-credit practicum (i.e., do not register for a practicum course), the practicum will not appear on your official MU transcript, but it will count as an MCT requirement. Place an "X" next to MU Extension (Mizzou Online) courses.
